

Goals of the Beyond Reality Costumers' Guild:

- To have a good time doing what we love to do ... costume!
- To promote the art and love of costuming, and to encourage others to act on their creativity.
- To always learn, to teach others, and to help each of us with new, weird costuming techniques.
- To assist each other in finding great costuming supplies, to go in on the big sales together, and to commiserate on the lack of closet space.
- To promote and help run fantastic masquerades, and to get out the information on them early enough to make the big, gaudy costumes.
- To share event, venue, and show information where we can “wow ‘em” with our costumes.
- To use our talents and energy to help with charitable causes.
- To have some killer parties!

But mostly, to have fun!
